

S.T.E.A.M. KITS ARE HERE!

WHAT ARE S.T.E.A.M. KITS?

Science—Technology—Electronics—Art—Mathematics

This special collection gives elementary and middle school students access to prepared materials, games, and activities that they might not encounter in a traditional classroom. Each kit includes information on a subject through books and DVDs, as well as hands-on activities with the right tools for exploration and creative endeavors.
