A Monthly Column: November

November is a month when we traditionally focus on gratitude. My hope is that you will take a moment to reflect on the many things in your life for which you are thankful. It is also a time to honor our Veterans and we will commemorate Veterans Day with a special program on Friday, November 13 at 5:30 pm. New York Times bestselling author Tracey Enerson Wood will be at the Palm Harbor Library to discuss her books Life Hacks for Military Spouses and Homefront Cooking. The Gilded Page will have copies of these titles, as well as her other works, available for purchase.
